

Introducing our “Nagoya Office”

Our firm is delighted to introduce “**HARAKENZO WORLD PATENT & TRADEMARK Nagoya Office**”, which will open in March 2018 in the “**Global Gate**” facility (which includes hotels, business facilities and offices etc.), located in the newly-created “Sasashima Live 24” district (Nakamura ward) south of Nagoya Station.

Since our founding in April 1976, our firm has conducted a wide range of activities with our “Osaka Head Office” as the main hub. With the opening our Tokyo Office in June 2005 (renamed “Tokyo Head Office” in April 2008) and our “Hiroshima Office” in June 2012, we developed and transitioned to a structure with three national hubs: our Tokyo Head Office, our Osaka Head Office and our Hiroshima Office. This development has been wholly thanks to the support and generosity of our valued clients, and we would like to take this opportunity to express our deepest appreciation.

In March 2018, our “Nagoya Office” was established in order to realize our long-held ambition: a “**Pacific-Belt IP Strategy Scheme**”. As a result, we will finally realize a structure whereby our firm has hubs in major cities across the breadth of Japan, in the form of our “**Tokyo Head Office**”, “**Nagoya Office**”, “**Osaka Head Office**” and “**Hiroshima Office**”.

Going forward, these four hubs will form the backbone of our firm as we aim to provide a “**Legal Service for IP Strategy**” that is highly advanced and uniquely high-quality, in which we make abundant use of cutting-edge communications technologies to enable close cooperation between each office.

With the above-mentioned “Pacific-Belt IP Strategy Scheme”, we are committed to providing a higher-quality and even greater detailed IP service utilizing highly specialized skills, which meets the many and varied demands of our clients with even greater innovation, originality, speed and flexibility.

With the opening of our “Nagoya Office”, we would like to take this opportunity to express the determination of all our staff, across our Tokyo Head Office, Nagoya Office, Osaka Head Office and Hiroshima Office, to work even more diligently not only to justify the trust placed in us by our clients, but to always strive to provide results that go beyond our clients' expectations.

We would like to thank our clients wholeheartedly for their support and guidance, and look forward to continuing to provide them with our utmost service.
